

Area of Circles

$$\text{Area of a Circle} = \pi \times r^2$$

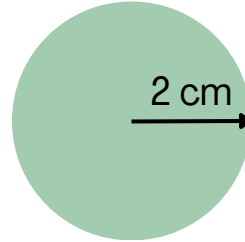

Calculate the area of the following circles, giving your answers to 2 d.p.:

1

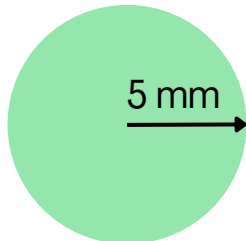

Area = _____ cm^2

2

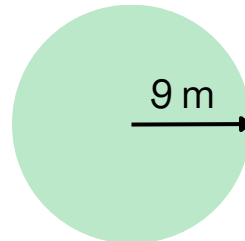

Area = _____ cm^2

3

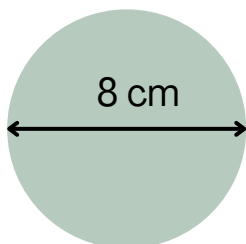

Area = _____ mm^2

4

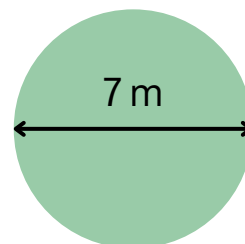

Area = _____ m^2

5

Area = _____ cm^2

6

Area = _____ m^2
